

Complete Conversation of the doctor and friend

I am the psychotherapist. Please, describe your problems. Each time you are finished talking, type RET twice.

my studies are not going properly inspite of devoting a lot of time.

Why do you say that?

my marks indicate that.

Can you elaborate on that?

If I regularly do something and follow each subject properly , I still get low spi.

I don't understand.

Despite of proper input there is no proper output in my academic life

Maybe your life has something to do with this.

don't know

What makes you believe

don't know?

I haven't yet analysed

Is it because of your plans that you say

i have not yet analysed?

Yes

I would appreciate it if you would continue.

okay

Go on, don't be afraid.

I think i would like to talk about it after introspection!

Are you sure that you might want to talk it introspection?

yes

I need a little more detail please.

Sorry I can't give you any more details

Perhaps the people you hang around with have something to do with this.

May be

Do you really think

may be?

yes

You're being a bit brief, perhaps you could go into detail.

No I am fine with giving brief details :P

Earlier you said you would like to talk it introspection?

Hmmm

Can you are more explicit?

No

And?

Byee , thanks for your help.

Is it because of problems at school that you are going through all
this?

Byee i Have some work

Is it because of any hobbies you have that you say

byee you have some work?

No i really have some work, please understand :)

You mentioned that you would like to talk it introspection?

No please forgetabout that

Please, go into more detail?

byeeee...nice talking to u ,will not meet you ever !!!!

How do you reconcile hangups you have?
